

A top-down view of a desk setup. A black smartphone is connected to a white USB drive via a black cable. The USB drive, which has a small 'K' logo, is plugged into a green fabric-textured notebook. A brown leather wallet and a pen with a wooden handle are also on the desk. In the background, there's a metal bowl with some papers and a pair of glasses.

# toCHARGE MINI

Be all charged up when you're on the move. With its petite size toCHARGE MINI is the smallest power bank in our collection. It fits right into even the smallest bag, which makes it easy to grab and carry along. With toCHARGE MINI by your side, you're always prepared to charge your device. Anytime, anywhere.
